

Galbiati

EXPERIENCE AND QUALITY SINCE 1935

"When a product does not work how it should, or our customers don't like it, for us is a challenge. We feel that from our factory only good products, functional and accessible to all must be produced.

Our daily commitment is to satisfy our customer at 360° and be present before, during and after the purchase of Galbiati products, with the same passion and dedication".

DENTAL UNIT

ARIA

DENTAL UNIT ARIA

OUTSTANDING DESIGN, GREAT RELIABILITY

Our Galbiati Lab, 100% Italian

Department of “research and development”, created ARIA, the newborn dental unit, entirely designed in Italy, with a great sense of ergonomics and performances. Solid, easy to use with an uncommon elegance, it’s the new born of the GALBIATI family, the first Italian production company of dental units.

TECHNICAL SPECIFICATION

- **Type of unit:** dental chair with panthographic system, motors for chair and backrest movements, multifunctional foot control
- **Supply voltage:** 100 v ac (US) – 230 v ac (EU)
- **Rated frequency:** 50 hz / 60 hz
- **Max power:** 50 hz 650 va
- **Input air pressure:** mpa
- **Atmospheric pressure:** 70 kpa to 106 kpa
- **Input water pressure:** 0,6 mpa
- **Water hardness:** 8,4 dh to 12 dh

PERFORMANCES

- Operating regulation of instruments speed and power
- Adjustment of micro motors speed limit (0-100%)
- Integrated safe system (chair blocked while the instruments are working)
- Chair memories
- Instruments cooling switch on/off
- Central suction system
- Water supply system with bottle

- High quality materials, no plastic
- Ergonomics and design: tablet handle with 15° angle
- Technology: tablet arm option with pneumatically controlled capacitive sensor
- Ceramic bowl easy to remove and sanitize
- Dentist’s and assistant’s tables with “soft touch” technology
- LED lamps
- Ergonomics: rotating water group to facilitate the assistant’s work
- Proportional foot pedal with joystick
- Bottle for distilled water

- ERGONOMIC BACKREST

- DOCTOR STOOL WITH SOFT BACKREST

- MULTIFUNCTIONAL FOOT CONTROL

- OPERATION LED LIGHT

- DOCTOR TABLET WITH SOFT TOUCH AND 15° ERGONOMIC HANDLE

- CERAMIC SPITTOON BOWL
